Principal's Message

Mr. Darryl Sutherland - Principal

It's been an honour to serve as your principal at J. Percy Page High School. You truly are a talented group of students. I am completing my 28th year in education and 10th as an EPSB school principal. This is my second stint as an administrator at J. Percy Page, having previously served as an Assistant Principal back in 2004-2007. I have grown to love this community, the passion that it has for its residents and its culture. It's been a pleasure to work with the Page students over the years as I have always found them to be honest, hard working and passionate about their goals and dreams. I have no doubt that each one of you will find a place in the world that meets your expectations and hopes. Good luck as you pursue your dreams!

Yearbook Committee

"Take care of all your memories. For you cannot relive them."-Bob Dylan

Now that the year has come to a close, it is only appropriate for us to look back and appreciate both the ups and downs the year entailed. Memories are a powerful tool which enable us to do just that. By looking back, we are able to remember the sights, the sounds, and the emotions of the moments that helped shape who we have become today.

Here at J. Percy Page, we have experienced an eventful year full of laughter, friendship, good times, and fun events. From the excitement of our first day of school, to the relief of our last, and everything in between, let's just say that this was a year to remember. Events such as Bike-a-Thon, One Page Many Worlds, Year End Barbecue, and Touch of Class always gave the student body something to look forward to. But it was also the little moments, the ones that we shared with our close friends, that we will never forget.

The yearbook committee has worked long and hard to fill these pages with the moments that we all shared here at J. Percy Page. We hope that you will happily reminisce with us today over the times that have passed and that, in the years to come, this yearbook will help you remember who you were and appreciate how much you have accomplished.

Enjoy.

-Salma Ibrahim

Student Union President

We have indeed come a long way, yet there is still much to explore. Life is a continuous journey, and that is why I believe in the importance of living in the moment- you grow, seasons change, and people come and go, but the memories and friendships last through the ages.

And those memories, we want you to cherish forever. So when you flip through these pages and look at the beaming faces, I hope that you will be reminded of all the good times you spent here. When you grow to be a strong and successful individual years from now, I want you to remember where you started. Appreciate where you are, focus where you are going, but remember where you came from.

Although for now, "I bid you all a very fond farewell!" ~Bilbo Baggins
